

Ask a Justice Programme 2024-25 Application Form

The Supreme Court is offering students the opportunity to have a live question and answer session with a Justice from their own classroom.

These sessions give students with a keen interest in law a unique chance to meet and speak with a Justice. Each session will offer 10 students the opportunity to speak for approximately three minutes with the Justice. The entire session will last no longer than 30 - 45 minutes.

We will seek to prioritise schools and colleges from certain parts of the UK: Northern Ireland, Scotland, Wales, and the top 10 areas of multiple deprivation in England. If applicable please refer to this in your application.
