Kaupthing HF (Appellant) <i>v</i> Elfar Adalsteinsson (Respondent) UKSC 2014/0020	Lord Neuberger Lord Reed Lord Toulson	Refused 19 May 2014	Permission to appeal be refused because the application does not raise an arguable point of law which ought to be considered by the Supreme Court at this time for all the reasons stated in the Respondent’s Notice of Objection. In relation to the point of European Union law said to be raised by or in response to the application it is not necessary to request the Court of Justice to give any ruling, because the question raised is irrelevant. The basis of the judge’s decision is to be found in paragraphs 99 and 112 of her judgment, and does not raise any point of EU law.
